

What will occur on the day of the event?

- Athletes should plan to arrive at Souderton Area High School as close to 5:30 as possible. Gates will not open before then.
 - Entrance will be at the main gate at the front of the stadium (Lower Rd side near the tennis courts).
 - Follow signs to the Athlete Check In Desk. After check in you will be provided with your shirt and have your picture taken. You will then be directed to the athlete pre-event area for brief measurement and testing. **If you have completed your testing early, this would be a great time to introduce yourself to college coaches.**
 - Upon completion of testing, you will be directed to the home side stands. Please sit in the middle section in front of the announcement booth. There will be a full event group photo taken so you will be asked to all sit together.
 - At approximately 5:50pm there will be brief introductions of our event coaching staff.
 - At the conclusion of introductions athletes will be released to the field for warmups lead by our coaches.
 - At the conclusion of warmups, position drill segments will begin. Each position group period is conducted separately so all college coaches will have the opportunity to watch them. They will last either 10 or 15 minutes based on the quantity of performing athletes.
 - If you are waiting for your position drills to begin or have time after your drills are completed - this will be an opportunity to complete any measurement and testing needed as well as interact with college coaches.
 - At the conclusion of positional drills there will be a brief water break followed by two group competition segments – a linemen one on one pass rush and a controlled 7v7.
 - After the conclusion of the competition segments there will be a brief set of closing remarks and time permitting, further opportunity for coaches and athletes to interact.
 - If you have any questions during the event please feel free to reach out to a member of our event staff.
- ** Please do not leave the event early if possible. College coaches may be looking for you at the conclusion of the event.**
- ** Please help us keep clean by not leaving trash on the field or sidelines. This also helps keep down the cost of future recruiting events.**
